SCHOOL REGISTER.

A supply of School Registers for the year, together with the Annual Report of the Board, and of its Secretary, and the Blank Form of Returns, is forwarded annually to the Town Clerk for the School Committee, as soon as practicable after the first of January. If the supply of Registers is not received by the Town Clerk, or is insufficient for the year, the School Committee are to apply to the Secretary of the Board, State House, Boston, stating the number and size of the Registers wanted.

"The several school teachers shall faithfully keep the Registers furnished to them, and make due return thereof to the School Committee, or such person as they may designate, and no teacher shall be entitled to receive payment for services until the Register, properly filled up and completed, shall be returned." — *Public Statutes, Chap. 46, Sect. 15.*

"Neither the School Committee nor the Town have power to dispense with the proper keeping of a School Register, or to waive the performance of the duty imposed by law on the teacher." — *Chief Justice Bigelow, 2 Allen, page 593.*

DIRECTIONS FOR THE TEACHER.

1. If a pupil is absent at the opening of the school in the morning put a perpendicular line (thus, |) in the upper part of the check for that day. *All* absence should be recorded and counted without regard to excuses. If he is present afterwards during the morning session, make a horizontal line across the top of the perpendicular (thus, T). The perpendicular line will indicate absence; the perpendicular and the horizontal lines united will indicate tardiness. Observe the same method for the afternoon session in the lower part of the check for the day. A record of the absence and tardiness should be carefully kept for each half day in all schools having two daily sessions.

2. In the column of "Deportment," if the pupil's general moral deportment, observance of the rules of the school and diligence in study, be ordinary, insert a zero (thus, 0); if below mediocrity, insert the sign *minus* (thus, —); if above mediocrity, insert the sign *plus* (thus, +).

3. Every pupil shall be considered "a member of the school" from the time of his first entrance to the day of his last attendance for the term. If, however, a pupil withdraws from the school, with no purpose of re-entering during the term, and gives notice of the same, but subsequently re-enters the school, he shall not be considered a member during such absence.

4. The average membership of a school for any given month is the same as the membership for that month, if none leave or join the school during the month; in other cases the average is found by adding to the number of those who have been members for the entire month, one for every twenty days of membership of all others.

5. The average attendance is found by deducting from the average membership, one for every twenty days of absence.

6. Schools which have Record Books or Registers of their own can use them instead of this, provided they include all the items required.

ENROLLMENT SHEET.

Teachers will enroll upon the next page of this sheet all the pupils in their respective schools at the beginning of the enrollment year; also, any who enter their schools who have not been enrolled elsewhere in the Town within the same year. Those who have been enrolled in any other school in the Town within the year are not to be re-enrolled upon the next page. The design is to have no pupil counted twice in the same year.
